#### **\$297 Annual Membership Plan**

This membership plan will be billed recurrently each year based on the member's join date. #### **Pink Millionaire Club® Upgrade to Annual Membership**

This is an upgrade plan to the Annual Membership from the 3 Easy Pay Plan. Upon making a \$227 upgrade payment to the Annual Membership, the member's 3 Easy Pay Plan will be cancelled and no further payments will be billed on this plan. The member will then gain all access, which includes: 8-Part Wealth System®, Worksheets, Weekly Training, Resources and the Pink Millionaire Club® Facebook Group and the Pink Millionaire Vault™.

### **Refunds**

All membership plans are on an annual basis only. At the time of joining the member should understand that they are paying for an annual subscription and they will automatically have access to training, resources and materials that can be downloaded immediately. Therefore, **no refunds are given** because of automatic access and the ability to download at the time of joining.

### **3 Easy Pay Plan Members**

As a 3 Easy Pay Plan Member you further understand that upon selecting the 3 Easy Pay Plan of \$127 you are still committing to a 12-month membership commitment and that the initial payment of \$127 plus the additional two recurrent payments of \$127 is still due in full. There is no refund of partial payments or the full sum of the three payments. You will automatically have full access to your member benefits at the time of joining.

### **Member Service**

**PLEASE NOTE:** If a Pink Millionaire® Member Specialist reaches out to the member via phone or email and no response is received from the member, it may take more than 24 hours for the member to be serviced.
